Keith Bentley SK – Aug. 20, 2011

Keith passed away, on Saturday August 20, 2011, with family by his side. Missing him dearly are his wife of 53 years, Rosalie, son Stuart, his partner Laurel, daughter-in-law, Paula and cherished grandchildren, Laurel and Blair, his brother Graham and his wife, Helen. He enjoyed great relationships with his nieces, nephews and cousins throughout Canada and the U.S.A.

Born in Winnipeg on August 10, 1934 to Ruth and George Bentley, he relocated with his parents to Toronto at the age of 9. Keith graduated Engineering Physics from the University of Toronto in 1959. He was a member of the Phi Gamma Delta Fraternity, where he met many of his lifelong friends. Keith spent the majority of his career at Ferranti Packard Electronics (Mark IV Industries). As an avid Ham radio enthusiast, Keith was a founding member of the Toronto FM Communication Society, and an active executive of the Quarter Century Wireless Association, Fred Hammond Chapter 73.
